

Geographic Terms assignment

Name: _____

Rubric:

	4	3	2	1
Spatial Thinking and Use of Charts, Maps, and Graphs (SS6.2.2 and SS6.2.3)	All drawings are correctly done and show good detail. Placement in country is logical.	Drawings are accurate and use color.	Drawings are vaguely accurate (or are missing).	Assignment is substantially incomplete as to drawings.
Literacy/Writing; Text type & purposes: Use precise language and domain-specific vocabulary to inform about or explain the topic.	All sentences very clearly demonstrate understanding of the term, definitions are accurate and complete with examples provided.	Definitions are generally accurate/complete. Sentences mostly show meaning of the term.	Definitions are basic (or are missing). Sentences may be correct but are general and do not convey meaning of the term (or are missing),	Assignment is substantially incomplete as to definitions or sentences.
Research Skills: Gathers, records, and analyzes information/data relevant to a topic from multiple sources	Description includes where in the world the land/water form can be found.	Drawings are accurate and descriptions show complete understanding. More than 2 sources were used.	Only one or two sources were used to find information about land/water form. Descriptions and/or drawings are flawed.	Descriptions and/or drawings are incomplete or significantly inaccurate.
PSR: Work completion/effort; Self-regulation	N/A	Work was complete and turned in on time.	Work was partially complete or was turned in one day late.	Work was substantially incomplete or was turned in more than one day late.
