

# G R E E C E

“Greece is credited with more influence in the western world\*  
than any other ancient civilization.”

- “Western world” refers to western Europe and the western hemisphere

Contributions from Ancient Greece (as seen in video):

- Democracy
- Olympics
- Architecture/columns (Doric, Ionic, Corinthian “toppers”)
- Plays/theater/drama (tragedies and comedies)
- Wine
- Words/Subjects in education: philosophy, math (arithmetic, geometry), sciences (biology, physics, chemistry), geography, history, literature, poetry, music)
- Other words like “barbarian”
- Symposiums
- Athletes treated like celebrities
